A seasoned commercial strategy and ops expert with six years of account acquisition & retention implementing digital transformation programs across APAC and NA for global retail and CPG brands. Proven track record demonstrating exceptional senior stakeholder & C-Suite relationship management, leading cross-functional delivery across teams, and expanding revenue in a fast-paced environment.

EXPERIENCE

Vision Group Retail

Bengaluru, India

Scale-up providing AI-led retail intelligence SaaS solutions for global CPG & FMCG brands; USD 60M global ARR

Regional Head – Customer Success

2023 - 2025

- Led end-to-end sales cycle and onboarded new contracts across Southeast Asia and Oceania and cross-sold dynamic pricing models for revenue retention and account expansion to increase APAC ARR by 100%, from USD 4M to USD 8M in Y1
- Conducted quarterly business reviews and annual scoping sessions with clients to align on budgets and growth priorities, while owning monthly revenue reporting with internal finance and sales teams to manage APAC pipeline and ARR targets
- Presented to C-suite executives at global retail conferences and negotiated three strategic contracts, outperforming competing retail intelligence firms to establish strategic partnerships across Hong Kong, Japan, and Vietnam
- Conducted market visits, retail layout analysis, and implemented digital GTM programmes across Southeast Asia to secure a USD 2M ARR, 3-year SaaS contract with an international ice-cream brand, boosting regional sales by 7%
- Owned and led AI & data driven programmes with a team of 4 project managers across 3 autonomous retail business streams, driving post sales end to end initiatives to success by leveraging insights from 98% accurate machine learning models
- Drove client adoption of a first-of-its-kind IoT and image-recognition smart vending system for the world's largest non-alcoholic beverage company, delivering a 38% uplift in beverage sales across airports and universities in Australia, New Zealand, and Singapore, and securing expansion into Europe

Infilect Technologies

Bengaluru, India

Start-up delivering FMCG retail intelligence to drive in-store sales; USD 4M ARR

Lead Project Manager

2022 - 2023

- Led end-to-end AI-based retail execution programs to amplify in-store sales by 2-4% for food & beverage brands tracking data-driven KPIs (market share, product positioning and compliance, promotions and discount tracking) with a team of 7 PMs
- Increased revenue by 18% (USD 1.5M) by prioritising and strategically onboarding new accounts while achieving over 85% POC-to-production conversion rate globally

Senior Project Manager

2021 - 2022

- Accelerated and optimised data pipelines and operational workstreams, increasing customer satisfaction by 27% and customer retention by 34% through data-driven analytical insights and iterative client feedback loops
- Expanded product adoption to EU and USA by 55% by collaborating with product and development teams to establish APIs and SDKs for mobile application ease of use, compatibility, and integrations

Project Manager

2020 - 2021

- Created, from scratch to finish, and scaled a comprehensive Pilot Playbook, streamlining processes and improving team efficiency by 40%, driving operational excellence and fostering cross-functional collaboration

Sabre Corporation

Bengaluru, India

Software technology company for global travel and aviation industry

Business Analyst - Flight Planning and Scheduling

2019 - 2020

- Programmed and configured in-house flight planning tools to increase profits for European and Middle Eastern airlines by 2-3% by identifying top driving markets for flight expansion, maintaining existing fleet and operational costs
- Corrected inefficiencies in fleet capacity and maintenance, reducing operational costs by 10-12% across the board through optimized operational planning

EDUCATION

INSEAD

Singapore & Fontainebleau, France

MBA Class of July 2026

2025 - 2026

- Recipient of Henriette and Nobert Albin Scholarship, awarded to high achieving women leaders from diverse backgrounds
- VP of Retail & Luxury Goods Club; Member of Consulting, Women in Business, and TMT Clubs
- Led Ferrari case competition on Dealership Customer Satisfaction; INSEAD Negotiation Cup Finalist, hosted by Horacio Falcao

Manipal Institute of Technology, Manipal Academy of Higher Education

Manipal, India

Bachelor of Technology in Computer and Communication Engineering

2015 - 2019

- Head of HR and Event Organization at Manipal The Talk.Net (Non-Profit Organisation)
